

## OUR GOVERNORS

Our school Governors are a fantastic group of volunteers who support the school by acting as critical friends, by challenging us and by holding us to account and by supporting school improvement. They are involved with school finance, policies, recruitment, health and safety and they monitor everything that we do and measure the impact of our actions.

Each Governor is assigned to a committee, they all sit on the Full Governing Body and some of them hold additional responsibilities:

NAME	CATE-GORY	END OF TERM OF OFFICE	COMMITTEE	POSITION OF RESPONS-IBILITY
