We acknowledge the School Standards and Framework Act 1998 that clearly states that all maintained schools must have in place an Anti-Bullying Policy that outlines procedures in order to prevent bullying among pupils.

We strive to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally.

We will not tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively.

### Aims & Objectives

- To have in place established systems that will deal with incidents of bullying.
- To develop confident children who will notify staff of any incident of bullying.
