

**MAY NEWSLETTER**

**Y2 END of KEY STAGE 1 ASSESSMENTS**

All Y2 children will be assessed by their teachers throughout May in line with national requirements. Part of these assessments involves two reading tests and two maths tests. Please be reassured that we will do our absolute best not to make this a stressful experience for any of the children – they have been well prepared, have done a number of practices and they will be doing the tests in small groups with a familiar adult overseeing them. We will make a judgement as to whether they should stop for a break or stop altogether if they are finding it difficult.

**CLASS PHOTOGRAPHS**  
 The school photographer will be taking class photos on May 20<sup>th</sup> during the morning.

**BOOK FAIR**

Thank you for supporting our Book Fair at the end of term – we got £186 worth of free books for our library from this.

**SCIENCE WORKSHOPS**

Many thanks to FOGG for funding last week’s Mad Science workshops – there was a whole school assembly followed by a workshop for each class and the children thoroughly enjoyed these. The Scientists commented on the excellent behaviour of our children and also on their knowledge – a great end to Science Week!

**FOGG FATHER’S DAY POP-UP SHOP**

FOGG are running a Father’s Day shop on Friday 7<sup>th</sup> June when children will be able to go and buy a present for Father’s Day if they would like to. Order forms will be sent out soon so watch out for these in book bags.

**Y2 ENRICHMENT ACTIVITIES**  
 This term, there are a number of enrichment activities planned for groups of Y2 children. We have told them what is on offer and they have able to choose which they would prefer. Individual letters will come out as and when necessary but we wanted to let you know that not every child will do every activity so don’t worry if you don’t get the same letter as someone else!

**TRAINEE TEACHER**

We are pleased to welcome Miss Newell to Rachel Ellis’ class this term. She is doing the final placement of her teacher training course, having been in two different schools from October 2018.

**CORRIDOR DISPLAYS**

This half term all children will be involved in creating new displays for the corridors and library. The current displays of books by Sue Hendra will be replaced by displays of books by Quentin Blake. You will be very welcome to come and have a look once they are up – they are bound to be amazing!

**MENU CHANGE**

As you know the new menu started last week and already we have decided to make a change. The enchilada was so unpopular that most of it went in the bin. We will not do this again so with immediate effect on the Thursday of Week 1 the school dinner option will be beef bolognese with pasta. The Vegetarian option will remain the same.

There will also be a one-off change on Thurs 16<sup>th</sup>/Fri 17<sup>th</sup> May when we need as **few** children as possible to bring in a lunch from home. Fish and chips will be the main option on the Thursday and beef bolognese will be the main option on Friday.

**FOGG CASH FOR CLOTHES COLLECTION**

FOGG are organising their own collection of unwanted but good condition clothes that they will take to be weighed in exchange for cash. A flier will follow with more details but just so that you know, bin bags will be sent home straight after half term and FOGG will collect from school every morning and afternoon from 10<sup>th</sup>-14<sup>th</sup> June.

**P.E KITS**

Y1 and Y2 children need a PE kit on their pegs which includes trainers or plimsols. Children with long hair need a hair band if their hair is not already tied up. Children with ear rings need tape or an elasticated headband to cover them up.

**BATTERY COLLECTION**

Thank you for your donations of old batteries. We are still collecting them and there is now a collection point in the library.

**HALF TERM**

We close for half term on Friday 24<sup>th</sup> May and start again on Monday 3<sup>rd</sup> June with our final International Week of the year.

**SUMMER TERM DIARY DATES— on the back of this page.**

This is always a busy term with lots to pack in. These are the dates we have so far and any others will be added in future newsletters. Please make a note of those that are relevant to you. As you know, we do try and send text reminders but we cannot do this for everything so don't want you to rely on it.
